

name	quantity	size	ordered	arrived	link / number				
aluminum extrusion		5 1in X 24 in	yes	no	47065T101				
aluminum extrusion		2 1 in X 12 in	yes	no	47065T101				
linear berrings		8 1/4in	yes	no	60595K11				
steel shaft		4 1/4 in X 24 in	yes	no	6061K51				
steel shaft		2 1/4 in X 8 in	yes	no	6061K101				
90 degree bracket		6 2 holes	yes	no	47065T223				
straight bracket		4 2 holes	yes	no	47065T141				
fastner	3 packs of 4	1/2 in	yes	no	47065T139				
fastner	2 packs of 4	1/2 in	yes	no	47065T142				
shaft couplers		3 5mm to 8mm	no	no	<a href="https://www.inventables.com/technologies/flexible-coupler?recommended=product">https://www.inventables.com/technologies/flexible-coupler?recommended=product</a>				
thredded shaft		3 ?	no	no	99067A248				
3d printed steel shaft holders		12 1/4 in diameter	no / need to make	no					
holder for thredded shaft		3	no / need to make	no					
holder for motors		3	no / need to make	no	<a href="https://www.inventables.com/technologies/motor-mounting-bracket">https://www.inventables.com/technologies/motor-mounting-bracket</a>				
screws for steel shaft holders		24 1/4X20 1in	no	no	91309A542				
screws for threded shaft		3 ?	no	no	<a href="https://www.inventables.com/technologies/delrin-nut">https://www.inventables.com/technologies/delrin-nut</a>
